

Hi Linda,

I'm very excited that you're coming to Hong Kong! I know you want to see the city's night views, eat dim sum, and watch birds, so I'd love to share some places you might enjoy.

We can go to the Avenue of Stars in Tsim Sha Tsui. We'll take the ferry from Central. While we're on board, you can look out the window to see Victoria Harbour and the colourful lights of the buildings—it's very beautiful. If you visit on December 31st, you can enjoy the fireworks there.

Another place you might like is Aberdeen, where you can eat seafood and dim sum. You can take minibus 54 from Kennedy Town MTR station.

Since I know you like birdwatching, we can also visit Mai Po. Take the MTR to Kam Sheung Road station, then hop on the shuttle bus to Mai Po.

I hope you have a wonderful trip to Hong Kong!

Best wishes,

Gabriel Chan
